HOPE ON THE WATER

JUST A FEW SHORT WEEKS AGO WE WERE STRUGGLING WITH THE SNOW OF WINTER AND NOW LIKE THE TURN OF A PAGE THE NEW SEASON BEGINS. THE TWO BOATS HERE ARE THE FORERUNNERS OF MANY TO COME AS LAUNCHINGS WILL BECOME EVER MORE FREQUENT AS THE SUN WARMS THE HARBOR AND BRINGS THE SEASONAL RESIDENTS BACK.

MATTAPOISETT HIGHWAY CREW IS SHOWN ABOVE ON MONDAY MORNING JACKHAMMERING THE BROKEN SURFACE OF THE SQUARE DANCE AREA OF THE WHARF BELOW THE BANDSTAND. THE SURFACE WHICH WAS DAMAGED IN THE WINTER GALE IS BEING REPAIRED IN PREPARATION FOR THE SUMMER SEASON.

tion filed by State Senator George Rogers on behalf of the town of Mattapoisett has been amended to read Marion and Mattapoisett rather than include all towns of under 10,000. Executive Secretary Stephen Lombard testified Monday, April 4th, in the introductory hearing for this bill, #892, in which objections were made to the wider scope of the measure and the amendment was added. The extreme congestion on both wharf and town streets of parked cars and trailers, as out-of-town boatmen use the ramp, inspired the bill which will read in part "Marion and Mattapoisett shall not be required to permit the use of state funded boat ramps for non-residents".

ENFORCEMENT OF CAR LICENSE DISCUSSED

Selectmen spent more than an hour discussing the by-laws regulating auto body repair shops in the town. Chairman R. William Blasdale brought 5 examples of auto storage not previously considered before the Board in order to obtain clarification for Purnell Guard, owner of Joe's Arco Station. Mr. Guard said that he had 1) A California registered car towed in at the

request of State Police; 2) A Daytona 500 car-a completely operational vehicle in good repair stored awaiting a paint job; 3) A vehicle stored for a private party; 4) A truck which he used as a tow vehicle; 5) A fully operational reprocessed car in storage. Mr. Guard has assured Chairman Blasdale that none of these cars fit the category of wrecked vehicles or the other category under Class II of unregistered cars offered for sale by him. He requested that the Selectmen come up with a ruling to cover such temporarily stored vehicles some of which were by police request and some in the general course of business. Both Selectmen William Hubbard and John DeCosta were firm in their opinion that no exception be made to cover such storage and that the previously allotment of 5 cars under the Class III license and 15 under the Class II used car license stand to cover all eventualities.

Chairman Blasdale said that, in his own opinion, the examples given by Mr. Guard represented a whole category of vehicles under temporary storage not previously considered by the Board of Selectmen. He said that Town Counsel will be consulted as to the interpretation of the by-laws to these unspecified vehicles. He also said that the Board of Selectmen does not intend to harrass or close up body shops in town. Building Inspector Jonathan DePina was instructed to continue his inspection using reasonable judgement in the enforcement of the letter of the by-laws.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it 's new customers we are looking for.

Mrs. Sharon Hartley at Rochester Memorial School are busily rehearsing and adding final touches for their production of the operetta, "Hansel and Gretel". All 56 children of the two first grade classes will take part. The children, their teachers, and volunteer parents have worked together to create colorful sets, props and costumes. The sets include a Gingerbread House that features real candy and cookies. The house is covered with gum drops and vanilla wafers; the shutters are made of marshmallows; and the doorknob is a Hostess cupcake. Musical direction for the performance is by Mrs. Rita Cain.

The show was performed for students at Rochester Memorial School on Tuesday and Wednesday of this week, and will be performed for the first grade parents, relatives this Wednesday, April 12th, at 7 P.M.

EXHIBITION OF PAINTINGS - ART CENTER

Gentle landscapes and colorful still lifes with a strong sense of design make up part of the work of artist Marie Sheehy. An exhibition of oil paintings and water colors by this young woman from New York opens at the Cecil Clark Davis Gallery of the Marion Art Center this Friday, April 15th, 6:00 to 7:30 P.M. and runs through May 5th.
